Mike,

We received a DropBox link from Mr. Callington. Can you please confirm the communication was authorized and the nature of what is included?

Thanks,

Geeta

Good morning. He indicated that April 1 was the last day that he added files to this link. The link was first sent to you on March 20 - per your request rolling production. He was adding files to it daily through April 1.

Thanks, Mike

Thank you. Can you please confirm that Mr. Callington did not add new data to the existing folders/zip folders after March 27?
